I'm sure the week of the 24th is ok.

I discussed th historic bathymetry with Stephanie this morning.

Rob,
Due to Han Winterwerp's and James Wands' availability, we moved the next modeling meeting to the week of September 24. Can you confirm whether this is OK with the CPG?
If possible, we should also set a date, I would suggest Tuesday 25th in Mahwah unless there are any objections.
Thank you,
eugenia
PS: any updates regarding our request for the historic bathymetries?
